

Thanks so much for your update information. I have 190 units miners in LAX warehouse now, as we discussed with Max, We will deliver 100 unites(m20S) to your Minden,Ne facility first because this facility will start at 1 Jul. Can I also have shipping detail?

About 200 units(M20s&M21s) to Ganbury site, I will send around 90 miners from LAX warehouse to you first, the rest of 110 miners are in Shanghai now, Because shanghai is lockdown at the moment, I will update shipping plan to you ASAP.

Have a nice day!

Tks & B.rgds!
